Owner will be notified of the next step in the process which includes the fining amount, as identified in Exhibit A, in the Second Notice.
2. **Second Notice (Not Cured/ No Application for Extension):** If the violation is not cured within the time period noted in the first notice, a letter will be sent via certified mail notifying the Owner of the continued violation along with an applied fine as outlined in the Schedule of Fines "Exhibit A" plus the cost for certified mail delivery.
3. **Final Notice (Not Cured/ No Application for Extension):** If after the specific time period given in the second notification, the violation continues, the owner will be subject to the application of a fine, as outlined in the schedule of fines "Exhibit A", to their account, plus the cost of certified delivery. Notice will be sent via certified mail, return receipt and by regular first class mail.
4. **"Damage Assessment":** Violations that result in property damage or cause the Association to incur cleanup costs will result in a "Damage Assessment" on the homeowners account.
5. **Construction without ACC Approval/ Non-Conforming Improvement:** Changes done to a property without request and approval will be fined as outlined separately in the Schedule

of Fines "Exhibit A" without maximum.

6. **“Appeal Process”**: If a homeowner so chooses, an appeal can be made via written request to the board within 30 calendar days of receiving the first violation notice. Within 10 days of receipt, the board will give the homeowner notice of the date within 30 calendar days from the date the request was received by the board, and the hearing should be scheduled to provide a reasonable opportunity for both the homeowner and the board to attend. If a homeowner contacts management with the intent to correct a violation and asks for an extension, management shall grant such extension if it deems the extension reasonable. If the homeowner does not cure the violation after the extension period, the homeowner will be immediately referred to the attorney or the process will be resumed at the last level of the process.

**Forced Maintenance Procedure**

It is the option of the Board of Directors to decide when and if an account goes to the attorney. The decision to escalate an account to the attorney may be based on violation severity, prior violation history, or other factors that may influence the Board's decision. Once an account is turned over to the attorney's office the attorney will send the homeowner a letter of representation and a demand for compliance with the Association's governing documents. If the homeowner does not respond, the attorney will pursue all available action to cure the violation through the court/ legal system. If allowable by law and the Association's Declaration of Covenants, all attorney's fees and any court costs shall be the homeowner's responsibility and

shall be charged to the homeowners account and the money due shall be subject to the collection policy. If the amount due is not paid the attorney may file notice of lien.
